The information disclosure statement filed 6/20/05 failed to include a 1449 form. Therefore, the references which were to have been included on that form are entered into the record by the enclosed PTO-892 form.

EXAMINER'S AMENDMENT

The following is an examiner's statement of reasons for allowance: regarding the independent claims, 1, 16 and 25, the prior art fails to show or fairly suggest sheet-like or sheet-shaped, vertical insulating layers partially encompassing vertical electrodes extending into a stack of piezoelectric laminations with horizontal electrodes between adjacent laminations, and at their lateral sides providing both insulation from applied signals at certain layers of the laminations and signals at other layers of the laminations. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
